The Family of Villa La Madonna

WEDDING PACKAGE

3 days and 2 nights

Most of our bridal parties choose to welcome family and friends for a three-day celebration. When in Italy, right? We have put together a program proved to be very appreciated by both smaller and large parties which we warmly recommend.

The first day makes perfect opportunity for you guests to settle in and meet in good time for the big celebration following day. On the arrival day the guests check into their rooms in the afternoon and get a calm chance to look at the beautiful surroundings of Villa La Madonna. In the evening we invite the guests to join the bridal party for an aperitivo on the piazza followed by a more casual 3-course set menu prepared by our own chef. Post dinner the guests can mingle and enjoy an open bar and of course, music and dance. It's not called a warm-up dinner for nothing.

On the second day, more known as the big day, we suggest a more leisure wake-up, and delicious breakfast at preferred hour followed by some relaxing hours by the pool. Of course, this could turn into a pool party as well, only you set the boundaries here. We would recommend a lunch somewhere around noon though. After this, once the mid-day sun has settled a little, it's time for the guests to get ready for the ceremony! When the heels are on and the bowties are knotted the bridal party invite the guests to join them in the vines for a truly magical ceremony overlooking Villa La Madonna and the Piedmont luscious valleys. The night continues with a long Italian dinner and party until late hours.

The celebrations end on day three with a relaxing brunch for all the guests before preparing for departure.

This package includes a wedding coordinator to help you plan the wedding of your dreams down to the very last detail. Together, we will create an unforgettable memory for life.
