

LET'S GET THE PARTY STARTED

Party & Celebration Offer 2025

When you have a birthday, an anniversary or just any reason to throw a party, look no further than between two luscious valleys of vines in Piedmont and you find Villa La Madonna. If you let us take care of the details while you focus on the celebration, together we can create a party in true Italian style. Since our opening in 2016 we've had the pleasure of hosting both summer and autumn weddings, intimate celebrations and big Italo disco parties. What we offer at Villa La Madonna is our complete attention to details and commitment to making your celebration as special as possible to you. Together we create a tailored arrangement to align with your dreams and visions in focus and make sure your guests feel just as at home at Villa La Madonna as we do. We welcome you to celebrate with us and enjoy Villa La Madonna as if it was your own.

BENVENUTI!

The Family of Villa La Madonna

PARTY & CELEBRATION PACKAGE

3 days and 2 nights

For most parties and celebrations at Villa La Madonna the hosts choose to welcome family and friends for a three-day celebration. Many find that one night is simply not enough when it comes to Italian celebrations and we cannot help but agree. For these occasions we have put together a very much appreciated concept which we suggest. The first day makes the perfect opportunity for your guests to settle in and meet in good time for the big day to come. On the arrival day the guests check into their rooms in the afternoon and get the opportunity to explore the beautiful surroundings of Villa La Madonna. Of course this could also mean just relaxing by the pool during the pool season. In the evening we suggest an aperitivo at the piazza where the guests mingle followed by a casual 4-course meal with set menu by our chef. After dinner one can chose to have an open bar with dancing or a more casual lounge situation. Here we leave the party thermometer to the host but as for ourselves we love a good pre party disco.

On the second day, the big day if you will, we suggest a more leisurely wake-up, and delicious breakfast at preferred hour followed by some relaxing hours by the pool or a beautiful hike in the area. Lunch is enjoyed around noon before the party guests go back to their rooms to get ready for the party. Before the dinner party takes off we would suggest a pre celebration drink by the pool area or in the rose garden to get the party started. If you wish to have live music we work with a list of musicians from the area which are always much appreciated.

After the pre party the night continues of course with a long, and we mean long, Italian dinner and party until late hours. The celebrations end on day three with a relaxing brunch for all the guests before it's time to wave goodbye.

This package proposal includes a party coordinator to help you plan the celebration of your dreams and a weekend your guests will never forget down to the very last detail.
